

The **Christian Character Formation Project** is a Biblically based journey that equips and trains children and the adults around them to live Christ-centered, fulfilling lives for Greater Purpose.

The Homeschool Subscription

The Homeschool Subscription is an affordable package of digital curriculum and access to our online community of Character Growers. It was created by our team of veteran educators together with homeschool parent advisors.

Our Year 1 homeschool subscription draws from the Christian content section of our vast library. This Biblically based journey employs a unique process to grow lasting character from the inside out.

- 180 vivid Biblical narratives (36 included in Year 1 subscription)
- Each lesson designed for use 4 days per week, 15 minutes per day
- Appropriate for learners at a variety of age levels
- Great for starting rich, meaningful conversations
- Open-and-go curriculum
- Digital and print-friendly materials
- Intuitive online platform along with app for mobile use and sharing
- Expandable for all educational settings including classrooms, Sunday schools, homeschools, youth groups and after-school care programs
- Service activity options
- Join a community of other Character Growers

SUBSCRIBE TODAY!

When you join the Character Formation Project, you're subscribing to more than behavioral training or self-improvement. You'll grow Christ-centered, internally motivated children and families whose character transcends context and circumstances.

POWERFUL CONTENT, CONVENIENTLY DELIVERED

Our team has curated hundreds of vivid narratives and lessons designed to stimulate rich conversations. Our online platform and app for mobile devices enable family members and other mentors to collaborate on the character formation journey.
